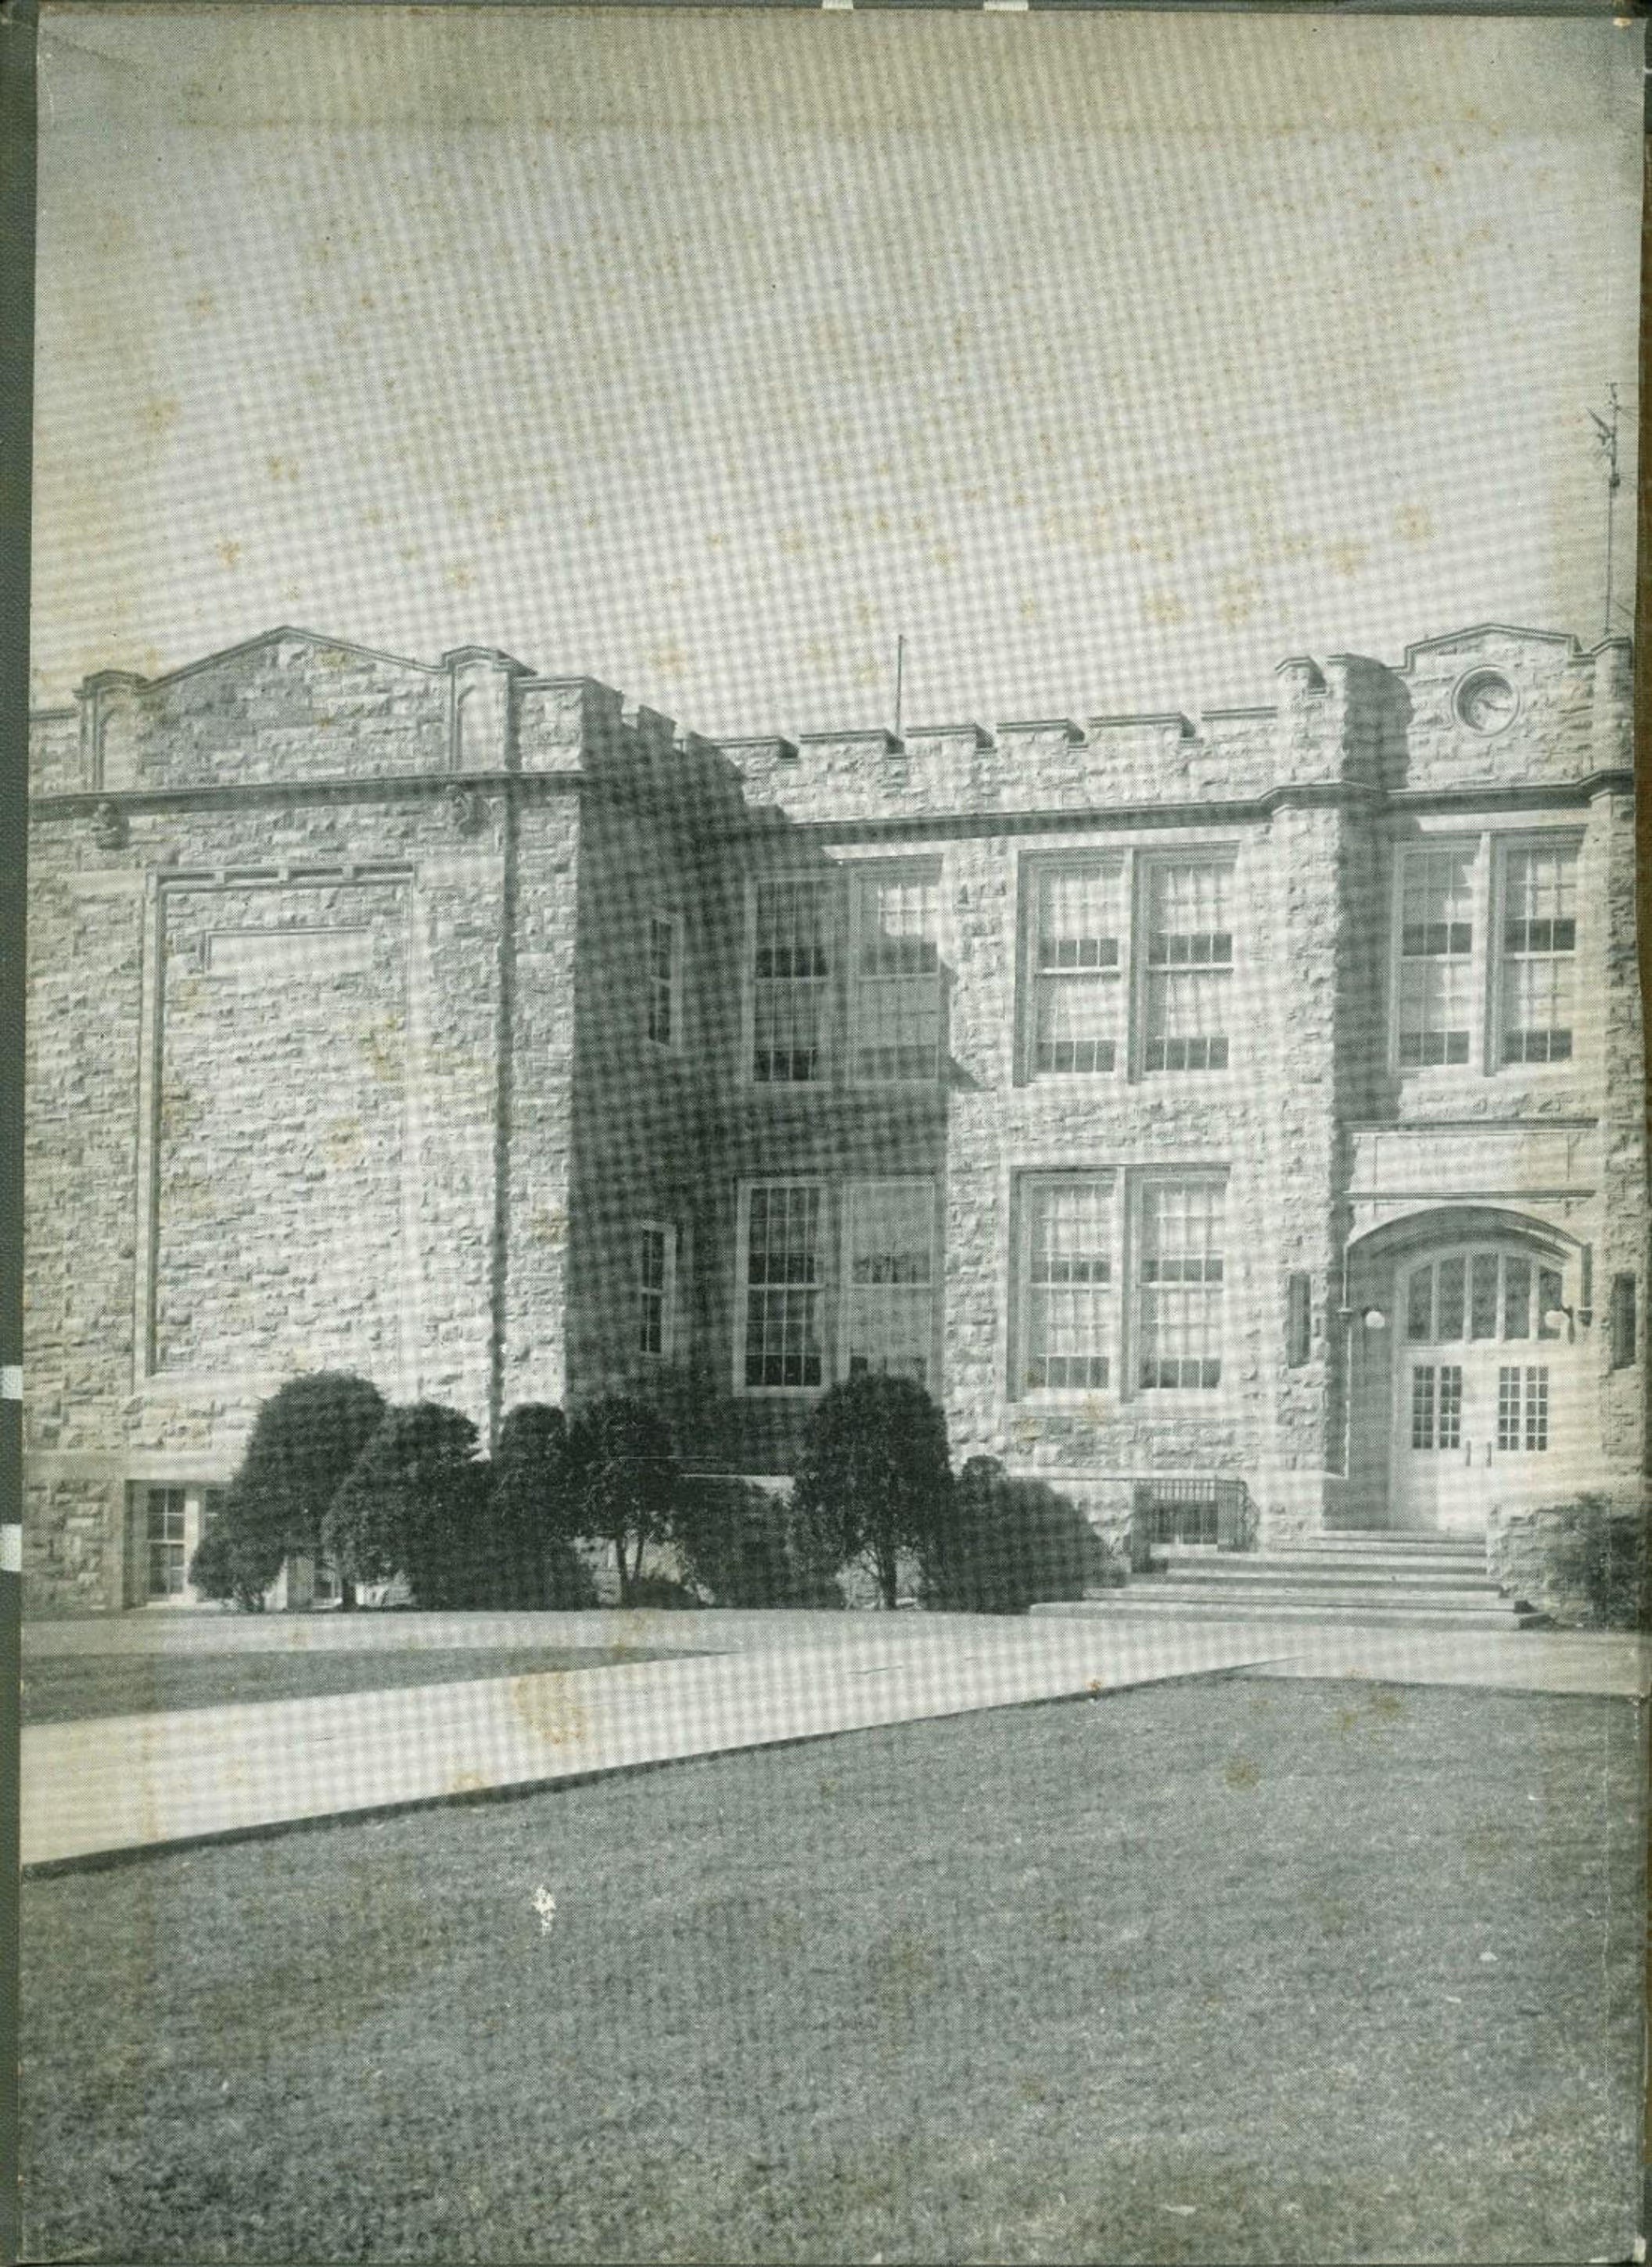
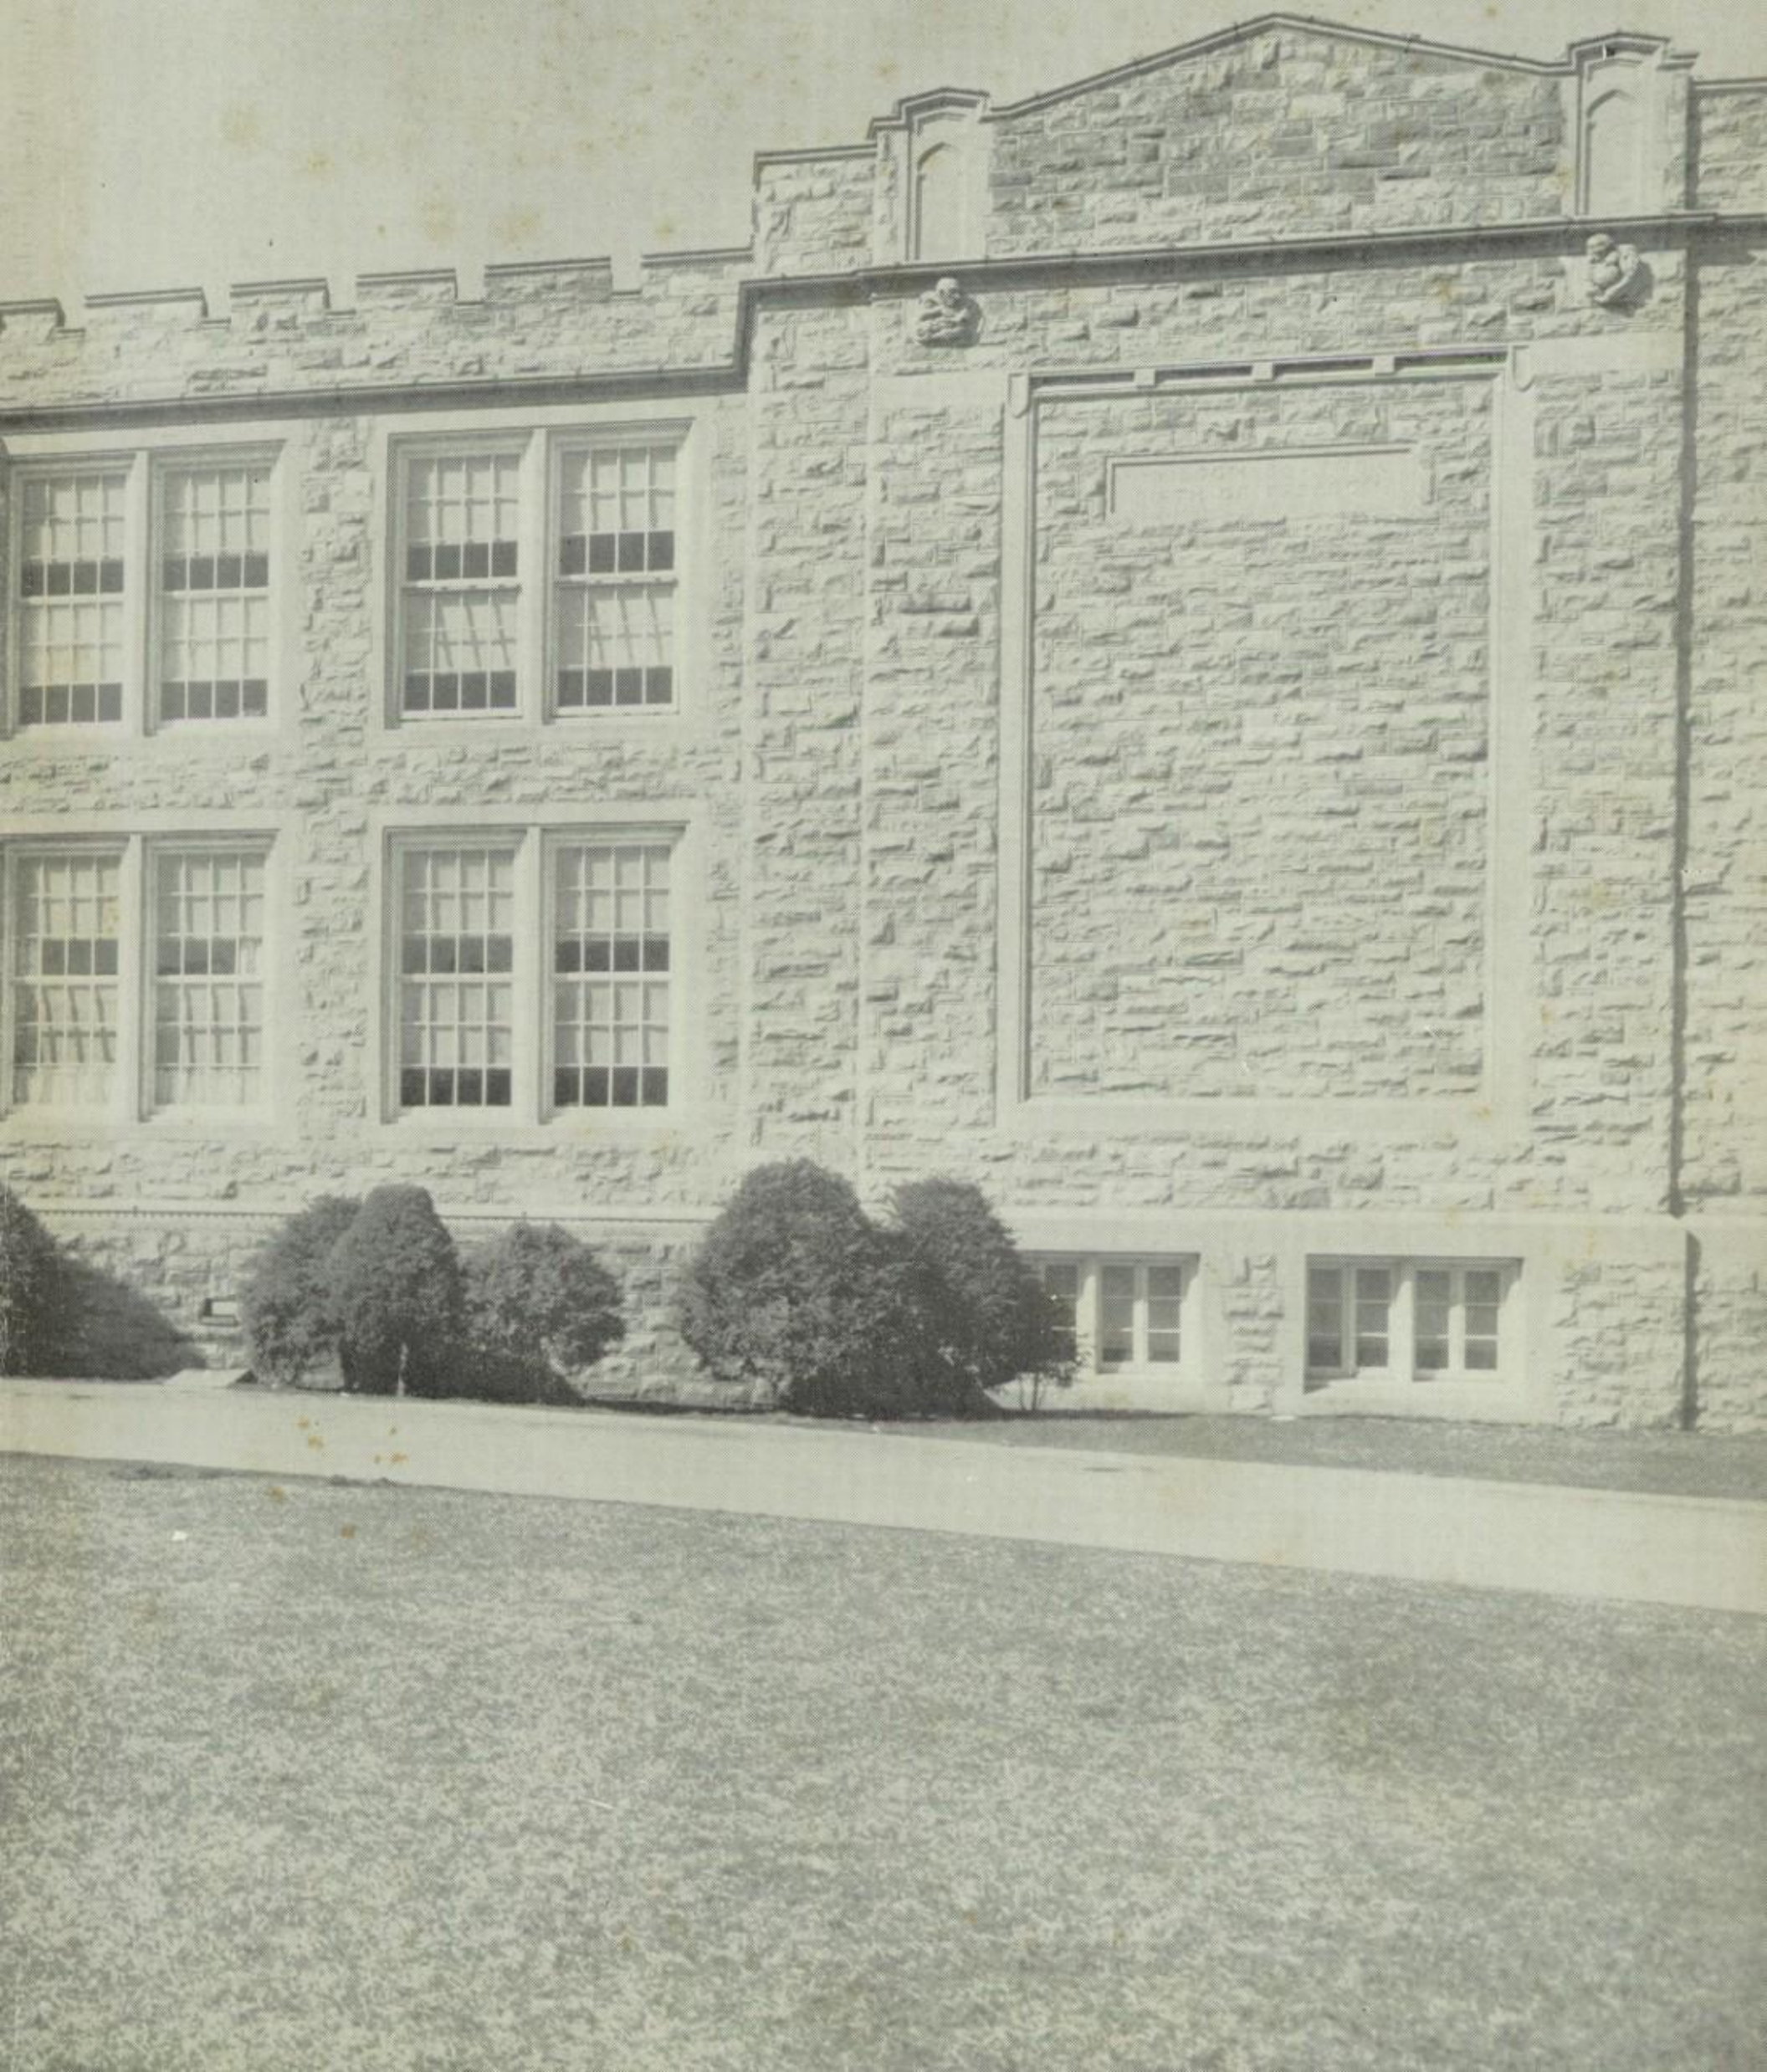
MYRIAD '58





Announcing the 1958 Myrialog

Forward

The Class of '58 offers this, our Myrialog, in hopes that it will be one of Myerstown High's best. Captured here in these pages are our past and present realizations and fulfillments. Dear reader, as you leaf through this Myrialog remember kindly the Class of '58.

Begun in 1921 our yearbook was dropped two years later till 1949, when the present Myrialog series was started. May this tradition last with the school, for the fine memories it recalls to us.

We want this book to remind us of our happy times and wish to thank our patrons and all others who made this publication possible.

VALENTINE DANCE

Alma Mater

Faithful and true-hearted, Let us cheer our dear old High,
We revere her and defend her, and her colors proudly fly:
We will stand for her united, Of her deeds we gladly tell,
Her colors streaming, Glad faces beaming,
So here's a cheer for her that we all love so well.

Chorus

Joyous and ever loyal, Let us boost for our old High,
Let ev'ry heart sing, Let ev'ry voice ring,
There's no time to grieve or sigh.
It's ever onward, our course pursuing, May defeat ne'er our ardor cool,
But, united, We will boost for her, our Old High School.

II

Honors she has taken, On the track and with the ball,
May she always rank the highest, May her colors never fall.
There's no other that can match her, When her team is on the field,
Her boys the fleetest, Her girls the sweetest,
Then here's a cheer for her, for her who ne'er will yield.

School History

As the result of the consolidation of the early limestone schools, the Hill School on North College Street was erected in 1885. The community library, once our high school, and the Hill School served as our town's educational institution until the erection of our present high school.

Our high school has been standing since 1915 and compliments greatly the work of its architect, Edward Z. Scholl, and its contractor, Andrew J. Fink.

Dr. D. U. Wolff, George Uhrich, Ephriam Bleistein, John Schoener, and Harry Line were members of the first board of directors. We have had the following principals as supervisors of the school, J. J. Strahl, Ralph Davenport, Chester Hartzler, Henry Hollinger, Walter Richter, John Auld, and presently Harvey L. Nitrauer.

Engravings on the cornerstones of our school are: "Education is the cornerstone of success," and "Wisdom is the birth of freedom."

Dedication

To Mrs. Helen Brightbill the Class of '58 most sincerely dedicates our Myrialog.

In our Junior year she acted as class advisor and consultant to us. We have always found her friendly and willing to assist us whenever needed. When, as Juniors, we decorated the gym Mrs. Brightbill helped us make the Senior Prom a decided success. In her regular line of duty Mrs. Brightbill is the hardworking Physical Ed. teacher and also coach of our girls' basketball team. In the past four years she has produced three girls' Championship teams.

For the many ways she has aided us, for her patience, humor, and understanding we wish to thank her.

Tribute

Our fine hardworking Senior advisor, Miss Mabel Immel, has been a major factor in our success.

Throughout our Senior year she has worked side by side with us to make a success of our Fair, Landis and Landis Club, and magazine sales respectively. We consider ourselves lucky to have Miss Immel directing the work for our yearbook, and helping wherever and whenever needed on this project.

Sincere thanks to Miss Immel for her assistance to the Senior Class.

Class Song

MUSIC: Nancy Kohl

WORDS: Elaine Strauss and Barbara Bingaman

We are the Class of '58,
We are about to graduate.
We played a lot of jokes and pranks,
And called a lot of teachers cranks.
We studied hard, and gained some knowledge,
While we prepared for jobs and college.

We are the Class of '58;
We are about to graduate.
The future is stretched before our feet,
And maybe our paths will never meet.
But this one thing we'll all remember,
All the twelve years we've spent together.

Senior Memories

The school year of '57-'58 found us entering the doors of Myerstown High as students for the last time in our career. We looked forward to our Senior year with hopes and forebodings.

First on our agenda came the fair. And what a fair! There was lots to be done, but everyone pitched in and made it a success. Our Senior Play, "Keep Moving," was a hit and a lot of fun as everyone who saw or participated in it will agree. Our Landis and Landis Club goal and magazine quota were reached after much persuasion by Miss Immel and Mr. Nitrauer. Finally after eight months of hard work (for some of us) and waiting (very much) came the big three days in the grand city of New York. From the twelfth to the fourteenth of May we enjoyed our reward for twelve years of faithful attendance. On May 23 we had Class Night and May 25 and May 26 Baccalaureate and Commencement respectively. What a time we had! Everyone was a little nervous and proud.

This, our last year, had its very sad and happy times mixed with a lot of the in between days that are expected in a normal year. We leave our Alma Mater with a feeling of regret and will cherish the fine memories we leave behind us.

When the clouds break open
and the stars shine through,
One is born.
As the stars fade into the dawn,
One must die.
This is life—all the love, fear,

History

Our climb toward higher education began in 1945 when we were put under the supervision of Miss Leah Loose, our first grade teacher. After a few days we found a great love for recess and thought ringing the bell a privilege. While reading about "Puff and Spot" we also learned how to play "trap" which became one of our favorite pastimes. P. S. Jerry Yeagley was already making a big hit with the girls.

We then moved up to the little red school on the hill and met our second grade teacher, Mrs. Emerich. Later our grade was spilt and Mrs. Snavely was also given the privilege of teaching some of us. Crack-the-whip seemed very thrilling to us, especially when Kay Zearfoss was the "cracker."

Miss Schell, our next teacher, stressed penmanship quite a bit and is the reason for the very neat and legible handwriting of all the seniors.

"Can't you come up those steps any quieter?" was one of Mrs. Weaver's favorite expressions. This was the year Mr. Yeagley tried to make musicians of some of our classmates.

We were now almost seniors in that little red schoolhouse and Mrs. Groff let us put our desks into groups as long as we wouldn't talk. Cally Umby, alias, "Lizard" favored us with many a solo throughout the year. Coal gardens fascinated our little brains beyond repair. Oh well!

Sixth grade found us putting away childish games like boys catch girls. Mr. Snavely taught us more refined games. Basketball became a favorite. Professional chalk ducking was our pride. Guess who was Santa Claus in the operetta this year? You're right. It was our chuckling Bill Fulk.

As we once again entered the halls of Myerstown high school we felt pretty small and unimportant. Mrs. Brightbill and Miss Welch served as homeroom teachers for the town students while Mr. Hoffman took charge of the Jackson township students. Students shared their first experience in making class money by selling cotton candy and candy apples at the community fair.

We now felt at home in this big school and Mrs. Brightbill and Mr. Mitchell were our homeroom teachers for our eighth year in school. Gene Daub, Dick Loose, and Kay Zearfoss could usually be found out in the hall or in the corner during science class.

Ninth grade began with a bang as we now held the title of Freshmen and were proud of it. Explorers Fake and Klopp took us on an expedition to Gettysburg. The climax of the trip was a water pistol battle between Eileen Keener and Mr. Fake. The lucky homeroom teachers were Mr. Batdorf and Mr. Bucher.

Class jackets, gray and white, were our prize possessions during our Sophomore year. We launched a new idea in assembly programs when we presented "The Hit Parade." Of course "Straussie" had to lose her shoes when completing her part in "The Rock and Roll Waltz." There's one in every crowd!! This was the year Cally became a professional dictionary carrier between our homerooms where Mrs. Jeffers and Mr. Klopp were in charge.

Now promoted to Juniors under the direction of Mrs. Jeffers and Mr. Ayers as homeroom teachers, we ordered our class rings. Decorating the gym for the Valentine Dance and sponsoring the Junior-Senior Prom were quite a chore but with the help of Mrs. Brightbill, our class advisor, we came through with flying colors. The highlight of our prom "Polynesian Paradise" was the music of Saxy Schollenberger and his orchestra. Bill Fulk put on quite an act as Simon Legree, the villain, in our assembly production of "Uncle Tom's Cabin."

Seniors, at last! A year of hard work was ahead of us which was to bring great rewards. Mrs. Saunders and Mr. Fake were a great deal of help although Mr. Fake could be really troublesome when he made us come in to 8:00 o'clock classes if we were even a minute late. The Senior play "Keep Moving" was a big success even though Gerald Hanley almost lost his goatee and the curtains didn't always close on time. Miss Immel led us to success in all our efforts, some of which were Landis and Landis Clubs, Magazine campaign and the fair. The Myrialog, the trip to New York, Class Night and Commencement were memorable highlights of our school careers.

Class Prophecy

"For I dipped into the future, far as human eye could see,
Saw the vision of the world, and all the wonder that would be."

Grand opening!! Eddie Swanger, head of the interstate chain stores, has just opened his fifty-third "Sheer Shop."

Kay Zearfoss is in her glory as basketball coach of the state champion team the "Teddly Toddler Widdly Woddlers."

Arnold Miller and Mark Schwear are the stars of the M. B. A., Metropolitan Ballet Association, which is leaving America to give a great production in Holland. These boys just love to "Tip Toe Through the Tulips."

Teacher, Elaine Strauss, is now trying to prove to her fourth grade class that copper nitrate does not make your tongue green.

New York's top marriage counselors, Lloyd Claman and Elson Eiler, have just reunited oil tycoon Jay Yeagley with the President's secretary, Nancy Kohl.

Peggy Beyler has become the chief flower smeller at the convention of the "Prevention of Cruelty to Flowers Association." Top petunia growers of 1988 are Ralph Derr and Gene Lutz.

James Knapp has won the Interplanetary Peace Prize for transporting bubble gum to the planets with his newly invented "Napnik."

"Twenty-eight Ways To a Delicate Giggle" the outstanding novel of 1988 was written by our own Mary Hain.

Pat Wilson and Jeanette Rutter are co-owners of the "I Can Boil an Egg Studio" for prospective brides.

Herbie Hibshman has just put on the market his newly devised "Schocker soccer shoes." The guarantee on these shoes was made personally by Jimmy Rittle, founder of the Tutti Fruitee Corporation.

Visiting M. H. S. again is the great trampoline artist Barbara Yordy who will attempt a triple twirl with an extra twist.

Tying for first place in the National Traffic Safety Slogan Contest are John Ernfield and Leroy Souders with these slogans: "Too many ponies under a hood surely bring trouble and that is no good," and "Dragging is a little wicked, you will get a traffic ticket."

Believe it or not Checky Brandt has finally learned to play checkers while sitting on a flagpole.

"Don't mope when you can joke" is the favorite expression of Miss Nancy Phillippy on her TV show "The Dramatic Squirrel."

Lucille Darkes is now top mechanic at Richard C. Loose's "Hot Rod Shop." Dick's motto is "I can take apart anything you can put together."

Still trying to prove that logarithms do work is Barbara Bingaman in her class for "promotion of an interest in trig."

Cally Umbenhen is head warden at "Smack-A-Traz Reformatory," for naughty boys who shoot water pistols at English teachers.

Pearl Wolfe and Patsy Haag are co-engineers of the newly built highway from Myerstown to Schaefferstown. The other one was badly worn. We never could understand why Pearl's car kept sliding off the road every time she got as far as Reistville.

Gerald Hanley has just won the Oscar for his performance in "The Professor In the Red Flannel Negligee." The M. C. of this annual event was that hilarious jokster Jerad Yeagley who took honors for the evening with his story of "Abe Cats." If you have never heard this story, please forget we ever mentioned it.

Peggy Smaltz, whose main ambition has always been joining the Navy, finally reached her goal. She now holds the post of look-out on the "U. S. S. Swanger."

Dave Grumbine is our famed long-distance hiker. He has reached the top of Mt. Everest by hopping up on one foot.

Edna Brown is the founder of the "State Square Sewing Circle." Suzanne Pearson is practicing her nursing as she administers medication to those unfortunate souls who have pricked their fingers.

"Bop Hop," a kangaroo farm in northern Australia is owned jointly by John Hess and Jonas Kreider. Betty Shuey is trying to teach the kangaroos to do forward and backward rolls without using their paws.

Bill Fulk has won the Olympic prize for teaching more girls how to dive than any other boy in the U. S. That wink must have done the trick.

Winner in the "Me No Speak Um" marathon was Shirley Houtz, who hadn't uttered a word for 362 days, 9 hours, and 6 minutes, until Marilyn Mastro started playing dominoes with a hippopotomus.

Lloyd Nixon has just received a letter from Chief of Police, Gene Daub, telling him he has lost his license for ninety days. Remember Lloyd, Dauby's only there to make the highway safe.

Monsieur Kenneth Harding is the proprietor of the most dazzling fashion salon in gay Paree. Marilyn Yeakley has made quite a hit in the summer showing of the leopard skin "Get-Me-A-Man" outfit. Ken seems quite proud of the fact that the model was noticed by the Queen of Morocco.

Attention all Hot Dog eaters!! A new and better hot dog is now on the market. This hot dog is an orginal, started by Eileen Keener under the trade name of "Keener's Weeners." These "Keener's Weeners," sold at Long's Meat Market, owned and operated by Linda Long, come in all colors, shapes, and sizes.

Child Care School

The room formerly known as the scout room was made into a classroom for the mentally retarded children of this area last year. Two well qualified teachers, Mrs. George Ross and Mrs. John Swope, help these children in their learning. They attend sessions from 9:00 a.m. to 2:00 p.m. each school day.

Mrs. Ross attended: Henry Hauck Junior High School, Denvereux Schools, Moore Institute of Art, and Special Education. Mrs. Swope attended M. H. S. and Lebanon Valley College. We are very fortunate to have two such devoted teachers to help these children who are less fortunate than we.

High School Safety Patrol

Mr. Snavely is the present leader of our high school Safety Patrol. The Safety Patrol was organized in 1931 by Robert W. Mitchell shortly after the time when the Palmyra Lebanon County Auto Club began sponsoring school safety patrols.

Myerstown Patrols accompanied by the High School Band have marched in the annual Safety Patrol Parade since 1935. Selected representatives attended the National Safety Patrol Parade at Washington, D. C., during the years 1936 to 1941.

Members receive a certificate and badge on the completion of as semester's service. Junior High Members may earn a letter. The bus trip sponsored by the police department and the faculty advisors at the close of school term is traditional with the Patrol.

Points of interest visited by the Patrol were Trexler Game Farm, Hershey Police Barracks, Lebanon County Jail, Miniature Village, State Museum, and the State Capitol.

The Patrol is proud of its record of no accidents or injuries to pupils on patrol covered corners in twenty-five years of service.

1957 was the magic year for Myerstown High's soccer team as they, under the direction of coach Hoffman, turned in one of the greatest records in the history of the school. After a shaky start with 2 losses, the Mohawks proved to be unconquerable in winning just the Lebanon County Championship and going on in P. I. A. A. play to win both the District 3 and Eastern Regional titles. Their record for the season was 11 wins, 2 losses and 1 tie.

his second goal, however, with a 25-yard bullseye boot into the Myerstown net, and that score knotted the count for the second time in the game, and sent the struggle into overtime.

The first of the two five-minute overtime periods (standard procedure in playing off tie games) was hardly under way when Spitler came through with his "heady" play by alertly butting the ball over the head of the Norlebco goalie.

Goalies Were Standouts

Both goalies, Bomberger and Lee Saunders, came up with some brilliant saves throughout the rugged, hotly-contested tussle and Bomberger staved off possible defeat in regulation time when he blocked Fulk's direct-center penalty kick in the third chukker.

Both teams put on "iron-man" performances in playing the double overtime with only one substitution, and in that case only because of an injury to Marlin Spangler, Norlebco right halfback in the first overtime period. He was kayoed in a collision at midfield, and was helped from the playing field, out of business for the day.

teams came close to scoring, but were held back by good saves of both goalies and the excellent ball handling of the backs. Myerstown finally came through to break the gruelling monotony, by scoring in the second quarter on Fulk's hard hit shot from twenty yards out.

As the time slowly ticked by, the game was a survival of the fittest in defensive playing. Throughout the entire game, each team showed off their great defensive stamina, making the game a hot defensive battle.

The fourth, and final frame, showed Myerstown still out in front by a 1-0 lead. The Upper Darbians, still trying their hardest to score, were held scoreless by Lee's brilliant saves. The Mohawks scored again late in the final quarter, when Bicksler, dribbling down the line, tried to cross the ball to Spitler. Bicksler's shot, however, didn't get to Spitler. It was shot on an angle, and, after glancing off the goalie, went into the upper corner to score, making victory inevitable.

Outstanding players were: Gene Daub, Dennis Brubaker, Jerad Yeagley, Arnold Miller, Eddie Swanger, Bill Fulk, Dick Bicksler, Russ Spitler, Lloyd Nixon, Dick Loose, and Lee Saunders. Exceptionally good work was done by Lee, Jerry, Arnold, Gene and Dennis.

Men of '36 Gifted Too

For the first Myerstown soccer team to bring home the Eastern Pennsylvania Regional Championship, no golden crown could be too sparkling for their schoolmates, faculty, school board members, fellow townsfolk, and many, many other admirers to heap upon them. Cheers until hoarse for days afterwards, hearty backslaps, and proud conversation for days and months to come will express some of what is felt. But, at least part of the appreciation has been shown to Coach Hoffman and his victorious boys in two special events.

On Monday, November 18, a hoop-de-do Victory Assembly was held in the school auditorium, at which time the teams two co-captains, Bill Fulk and Ed Swanger officially presented the two large trophies to our principal, Mr. Harvey Nitrauer, for the Myerstown High School. The other big event was a Recognition Dinner held this Monday night, December 16 for the 1957 Champion Soccer Team, and for the one previous trophy team, 1936, who won the Lebanon County title in soccer. The dinner was sponsored by the Myerstown Rotary Club, the Lions Club, the American Legion, the Civic Club and the Myerstown School Board. The

The Library Club was organized under the direction of Miss Livingood and Mrs. Gillmore. Over the years it has grown in activity and membership through the help of the present advisor, Mrs. Lantz.

The Library Club, besides providing efficient service for the school, takes part in assemblies and other school activities.

Eurekans

The Eurekan Science Club was formed in 1956. It is a fine organization composed of those students from the Chemistry and Physics classes who have a special interest in science. Besides the bi-monthly business meeting held on Thursday, evening meetings are scheduled at which demonstrations, talks, discussions, or films are presented. The club also plans trips to various business concerns and museums of scientific interest. The sponsor and advisor of the Eurekans is Mr. Whitfield. Who knows, maybe one of these scientists might invent another Sputnik.

When the F. H. A. was organized in 1945-46 it was a very small club. However the club has increased in membership and activity within the last few years.

Under the supervision of Miss Smeltzer, the girls attend the Farm show, serve at the Faculty Tea, participate in assemblies and have a banquet for the senior girls at the close of school.

Delegates, elected by the club, are sent to the State and Regional Conventions.

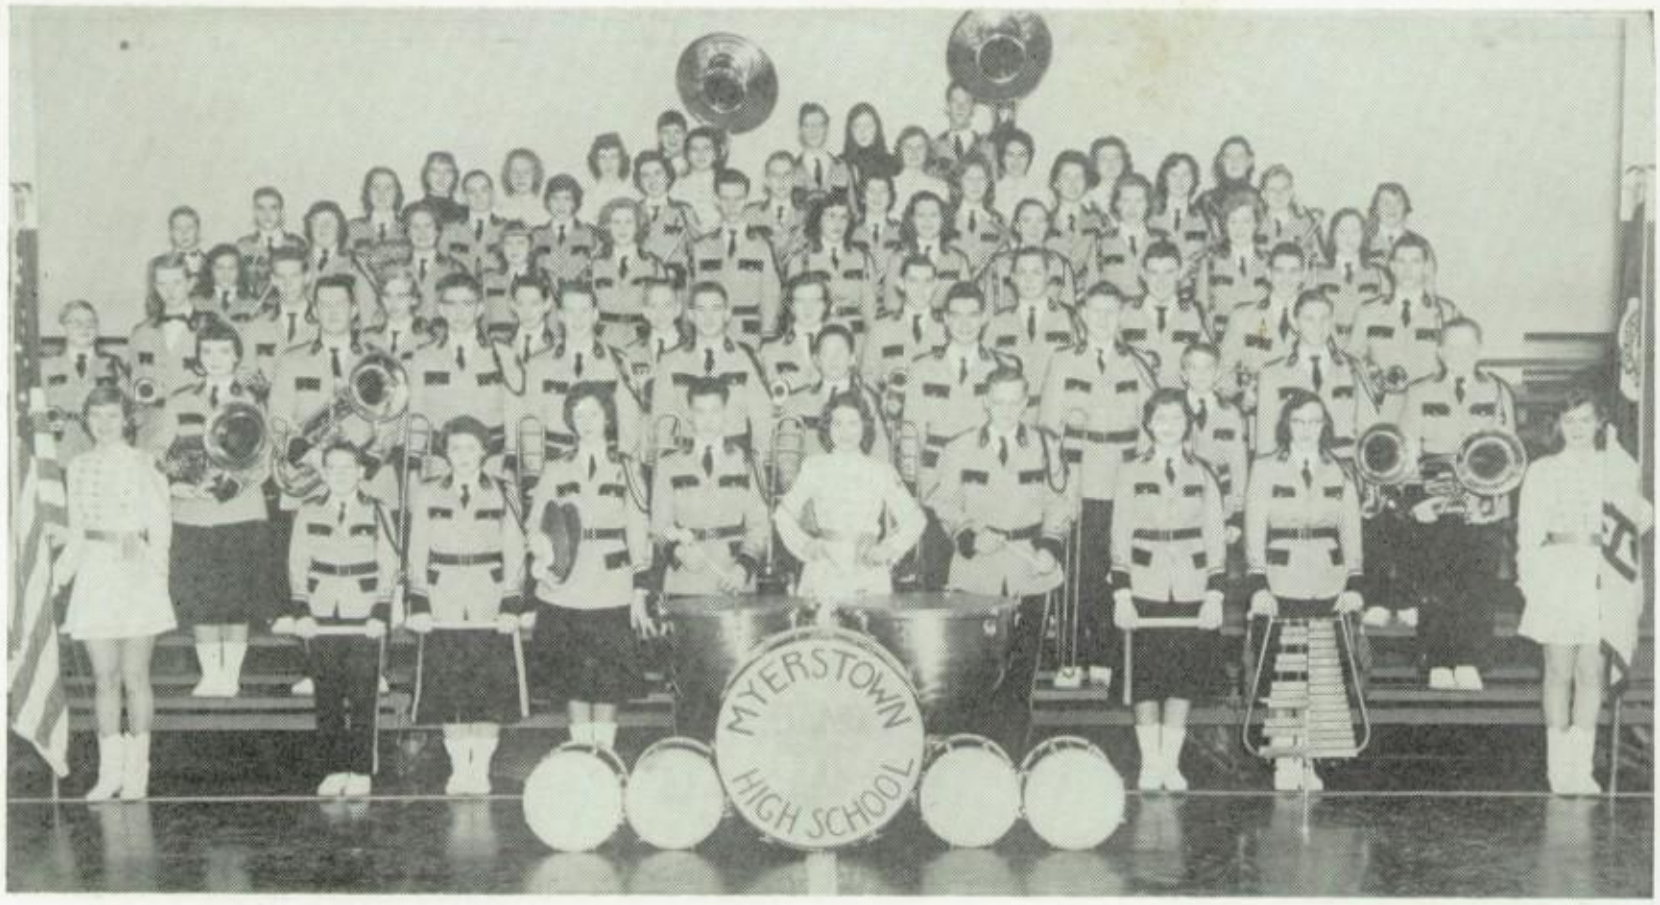
F. F. A. was begun in our school in 1934 by a former teacher, Mr. Brubaker.

The club requires that its members have one animal or crop project a year. On the completion of the projects, some may be entered in the Harrisburg Farm Show. Outside activities include a State Chorus and State Band which may be attended by the members. F. F. A. prepares young men for an agricultural career.

The advisor is Mr. Sherman.



Senior Band

The Myerstown Senior Band has been an integral part of the school's extra-curricular activities since it was started in 1933 by Mr. Myers. Under the capable direction of Mr. Yeagley, the band has attained a reputation of producing outstanding music while playing at the fair, in a program for the Byrd Memorial Home and in the annual Spring Concert. There are approximately seventy-five members in this organization.
